1. Introduction

1.1 Our website uses cookies.

1.2 By using our website and agreeing to this policy, you consent to our use of cookies in accordance with the terms of this policy.

3. About cookies

3.1 A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.

3.2 Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.

3.3 Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies.

3.4 Cookies can be used by web servers to identify and track users as they navigate different pages on a website and identify users returning to a website.

4. Our cookies

4.1 We use both session and persistent cookies on our website.

4.2 The purposes that we use on our website are set out below:

(a) to recognise users who have previously logged into our website and chosen to be remembered of the log-in status.

5. Analytics cookies

5.1 We use Google Analytics to analyse the use of our website.

5.2 Our analytics service provider generates statistical and other information about website use by means of cookies.

5.3 The information generated relating to our website is used to create reports about the use of our website.

6. Blocking cookies

6.1 Most browsers allow you to refuse to accept cookies; for example:

(a) in Internet Explorer (version 11) you can block cookies using the cookie handling override settings available by clicking "Tools", "Internet Options", "Privacy" and then "Advanced";

6.2 Blocking all cookies will have a negative impact upon the usability of many websites.

6.3 If you block cookies, you will not be able to use all the features on our website.

7. Deleting cookies

7.1 You can delete cookies already stored on your computer; for example:

(b) in Firefox (version 47), you can delete cookies by clicking "Tools", "Options" and "Privacy", then selecting "Use custom settings for history" from the drop-down menu, clicking "Show Cookies", and then clicking "Remove All Cookies"; and
