

Open up and earn from your outdoor facilities

What is Sports Booker?

Sports Booker is the leading online booking system designed to help you manage your facilities, clubs and activities from one central dashboard.

Our cloud based system provides you with a fully integrated and easy to use solution to help you grow your business without limits.

How can Sports Booker help your business in these turbulent times?

If your property benefits from outdoor leisure facilities, such as tennis courts, a golf course or open gardens, Sports Booker can provide you with a modern platform to allow your customers to book online. The system is built to offer a seamless customer journey from start to finish and will provide you with all the tools you need going forward. Features of Sports Booker include:

Booking and facility scheduling - View live availability in resource specific calendar views. Add and update bookings in a few clicks.

Integrated payments - Allow your customers to book and pay online as well as setting up direct debits.

Custom branded booking portal - We provide you with a custom branded booking portal for your customers, so you can take online bookings 24/7.

Invoicing - Create, print and download branded invoices and customer statements.

Management reports - Keep track of attendance, payments and bookings with a variety of customisable management reports.

No limits license - Add as many bookable activities and resources as you wish.

Along with all the great features mentioned above, Sports Booker is also launching an app for iOS and Android. With the new booking app you can give your customers the option to book and pay whilst on the go.

We know these are difficult times for everyone, which is why we are offering 3 months free Sports Booker software to our clients. To take advantage of this offer, visit <https://service.sports-booker.com/customer/> to book a personalised demo with a Sports Booker Account Manager.
